

If You Think You Have a Problem

... with alcohol

If you enjoy your drinking, that's YOUR business. If a family member or friend has mentioned that you might have a problem with your drinking, we may be able to help. That's OUR business.

Alcoholics Anonymous is a fellowship of men & women who share their experience, strength & hope with each other that they may solve their common problem & help others recover.

The only requirement for membership is a desire to stop drinking. There are no dues or fees & we are not affiliated with any sect, denomination, politics, organization or institution.

AA has both Open & Closed meetings. Open meetings are for anyone interested in our program of recovery. Closed meetings are for those with a desire to stop drinking. We warmly invite you to attend our open meetings & would be happy to accompany someone with a drinking problem to a meeting if that would help them feel more comfortable trying AA.
